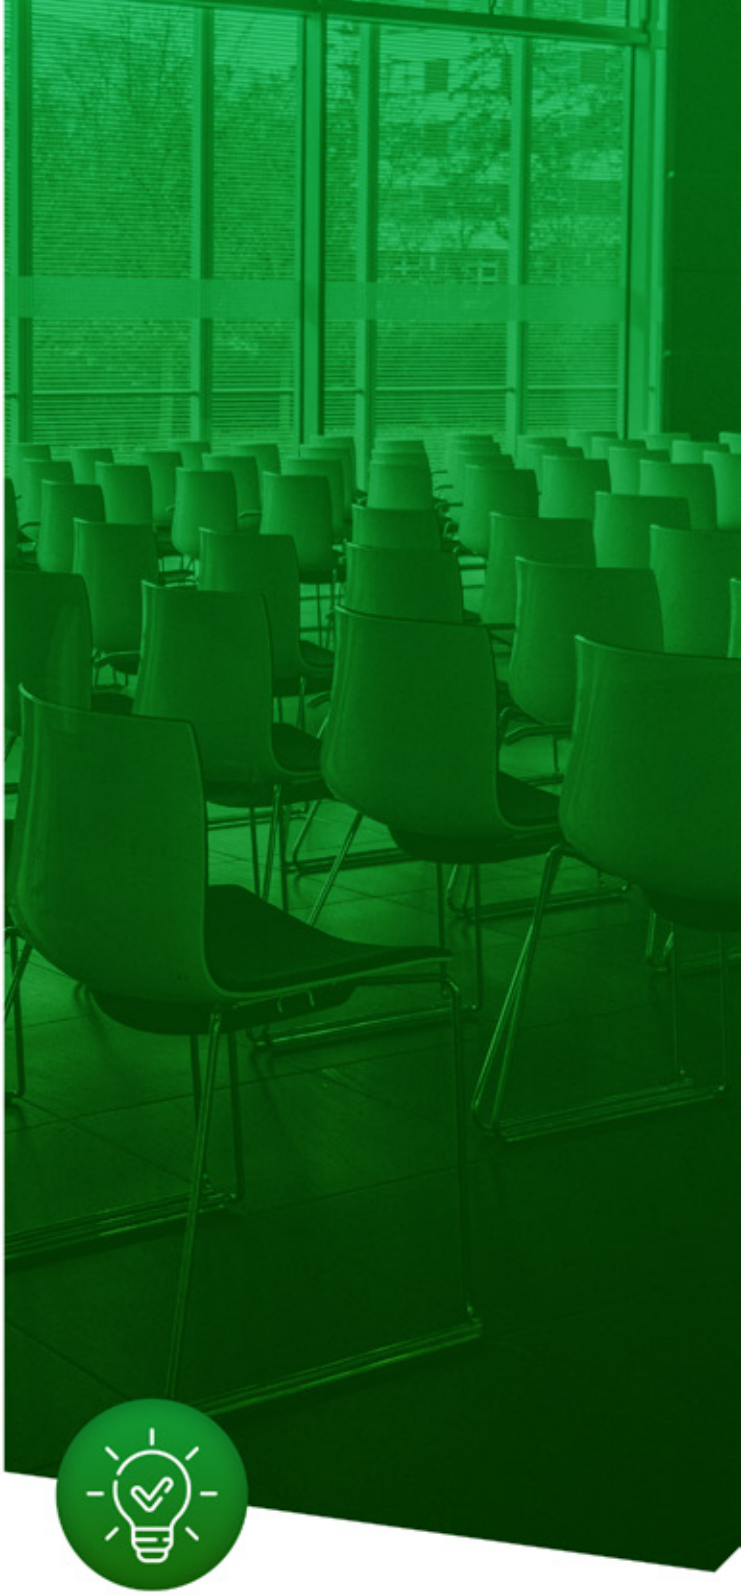
About us

Scientex Conferences provide a global platform for exchanging ideas and keeps on updating about the latest innovations in different Subjects. Opportunity to attend the presentations delivered by eminent Scientists from all over the world. Global networking: In transferring and exchanging Ideas. A Unique Opportunity for Advertisers and Sponsors at this International event. We present you team of dedicated minds driven by the thought of gathering together the people of alike objected to an exclusive platform. Science brings forward the art of molding the experience and the experiments into a reality. These assembling realities, eventually, give birth to the various fields all together comprise a world get known as science, technology, and advancement. Scientific Meet Icon conference acts a dais where people from various parts of the world come together and discuss topics, ranging from physics to medicine, ever beneficial to an advancement of the human civilization. Alongside, the news and views get exchanged among the personnel across the globe. Scientific Meet Icon strives toward evolving a resource of information, unprecedented problems as well as their solutions such that it enhances the very core of the scientific community thus adding values to human society. Come. Join us! View the substantial minds talk their cut- through researches at the Scientific Meet Icon conferences. Well organized scientific program. **(click here for more)**



- Renowned speakers and scientists across the globe.
- Poster presentations and world class exhibits.
- Panel discussions and interactive sessions.
- B2B meetings.
- Perfect platform for Global Networking

Conference and Webinar Details

About Conference

On behalf of the Organizing Committee of Arthroplasty 2024, we are pleased to announce that the "**4th International Conference on Arthroplasty and Orthopedic Surgery**" will be held in Bangkok, Thailand, during November 21-22, 2024. Arthroplasty 2024 offers an enthusiastic opportunity for the growing generations occupied in various researches to improve their abilities in the field of orthopedic surgery. It will also include an extensive update on the current developments, recent innovations, new approaches, practical challenges encountered, and preoperative and postoperative management in the field of orthopedics. In addition to this, the participants will learn about recent trials being practiced that are likely to influence future practices.

Arthroplasty 2024 Mission: To provide the highest quality orthopaedic education to learners and practitioners of all levels.

Arthroplasty 2024 Vision: Through our inspiring international faculty, innovative programming, and vibrant interactions among all attendees, the Arthroplasty 2023 conference aspires to be the best orthopaedic educational event in the world. **(click here for more)**

About Webinar

Arthroplasty 2024 is delighted to announce the "**4th International Webinar on Arthroplasty and Orthopedic Surgery**," themed around "Shaping Surgical Innovation and the Future of Orthopaedics." Scheduled for November 28–29, 2024 (GMT+7), this webinar presents an exciting opportunity for emerging generations engaged in various research practices to enhance their expertise in the field of orthopedics. The event will encompass a comprehensive update on current developments, recent innovations, new approaches, practical challenges, and preoperative and postoperative management in the field of orthopedics. Participants will also gain insights into ongoing trials likely to shape future practices.

Experience world-class faculty and the highest-quality, peer-reviewed programs on the latest orthopaedic topics that meet your learning and practice needs. A revelatory panel discussion on orthopedic surgery awaits you. Are you ready?. **(click here for more)**

CONFERENCE HIGHLIGHTS

- Lectures by the active Investigators
- Keynote forums by Renowned Speakers
- Speaker Forum
- Poster Sessions on latest Innovation in all the relevant Areas
- Panel discussions and interactive sessions
- Open Innovation Challenges
- Poster Sessions on every career stage
- Post-Doctoral Career Development Session
- Young Research Forum
- B2B Meetings
- Global Networking with 50+ Countries
- Novel techniques to benefit your research
- Best platform for Global business and Networking opportunities
- Excellent platform to showcase the latest products in Healthcare and affiliates

TARGET AUDIENCE

- Orthopedic Surgeons
- Orthopedic Physicians and Specialists
- Orthopedic Residents and Fellows
- Orthopedic Nurses
- Health Care Professionals in Orthopedics
- Medical Students
- Orthopedic Technologists
- Medical Colleges, Universities
- Physical & Occupational Therapists
- Pharmaceutical Companies
- Industry Representatives
- Training Institutes
- Manufacturing Medical Devices
- Companies
- Orthopedic Associations and Societies
- Spine Surgeons
- Nurse Practitioners
- Sports Medicine Professionals
- Podiatrists
- Orthopedic Researchers
- Orthopedic Trauma Surgeons
- Biomedical Engineers
- Orthopedic Radiologists

Session Highlights

- Arthroplasty
- Hip Arthroplasty
- Knee Arthroplasty
- Shoulder Surgery
- Spine Surgery
- Arthroscopy
- Hip Arthroscopy
- Knee Arthroscopy
- Elbow Surgery
- Orthopedic Trauma
- Musculoskeletal Disorders
- Orthopedic Surgery and Research
- Foot and Ankle Surgery
- Osteoporosis
- Podiatry
- Hand Surgery
- Exercise and Sports medicine
- Fractures
- Bone and Joint Infections
- Physical Medicine and Rehabilitation
- Prosthetics and Orthotics

About Venue

GRAND MERCURE BANGKOK ATRIUM
1880 New Petchburi Road, Bangkapi Huay Kwang, Bangkok, 10310
Thailand

About Venue:

Bangkok, officially recognized as Krung Thep Maha Nakhon, serves as the capital and largest city of Thailand. Renowned for its cultural richness, modern conveniences, and lively atmosphere, it stands as a vibrant metropolis attracting millions of visitors worldwide. Bangkok, often referred to as the “City of Angels,” is a major economic and cultural hub in Southeast Asia. It’s renowned for its stunning temples, bustling street markets, and vibrant nightlife. The city boasts numerous attractions, including the Grand Palace, Wat Arun, and Wat Pho. Modern landmarks like the bustling markets of Chatuchak and the iconic Skyline add to its appeal. Bangkok is a popular tourist destination, welcoming millions of visitors each year. The Tourism Authority of Thailand promotes the city’s diverse offerings, from traditional Thai culture to contemporary experiences. The best time to visit Bangkok is during the cool and dry season from November to February, avoiding the monsoon rains. **(click here for more)**

TOP REASONS TO PARTICIPATE

- Develop Your Network
- Position Yourself as an Expert
- Meet Experts & Influencers Face to Face
- Gain Targeted Knowledge
- New Tips & Tactics
- Invest In Yourself
- Gain New Collaborations
- Present your Ideas and Work
- Be Inspired
- Travel, Explore and Have Fun!!

Past Event Report

About Past Event:

With great support from our collaborators and organizing committee, we successfully completed the “3rd International Conference on Arthroplasty and Orthopedic Surgery” (Arthroplasty 2023) which was held in Dubai, UAE, on November 23–24, 2023, with a focus on the theme “SIMPLIYFING COMPLEXITIES’: Shaping the Future of Orthopedic Surgery.” It was a great success, where speakers from various reputed companies and universities made their resplendent presence and addressed the gathering.

The meeting reflected various sessions in which discussions were held on the following major scientific tracks: arthroplasty, such as hip and knee arthroplasty, orthopedic surgery, osteoporosis, bone health, sports medicine, orthopedics and trauma, foot care, hand care, podiatry, and many more.

Thanks to all our speakers, poster presenters, and delegates for taking out their time and sharing their research work with our peer network. And we extend our thanks to our media partners for their constant support. We are very glad to have shared a great relationship with all these attendees and associations, and we hope to see even greater support at our upcoming events.

We hope that you have benefited from the conference sessions. We believe that the event would have given a great opportunity to explore many kinds of technical and clinical information in the field of arthroplasty, along with the knowledge of recent innovative research.

Save your dates for the most-awaited event of 2024.
